Any decrease will take effect on the day of the change, whether or not you are Actively at Work.

The conditions concerning such a continuance may be found in the Policy. See your Employer for this information.

BENEFICIARY

PAYMENTS TO BENEFICIARY. At your death, any amount payable as a result of your death will be paid to your named Beneficiary who survives you. If you have not named a Beneficiary, or if no named Beneficiary survives you; then payment will be made to your:

In determining who is to receive payment, the Company may rely upon an affidavit by a member of the class to receive payment. Unless the Company receives written notice at its Group Insurance Service Office of a valid claim by some other person before paying the proceeds, the Company will make payment based upon the affidavit it has. Such payment will release the Company from any further obligation for your death benefit.

If the person who would otherwise receive payment dies:

- (1) within 15 days of your death; and
- (2) before the Company receives satisfactory proof of your death;

payment will be made as if you had survived that person; unless other provisions have been made.

A new Beneficiary may be named by filing a written notice of the change with the Company at its Group Insurance Service Office. The change will be effective as of the date it was signed; subject to any action taken by the Company before it received notice of the change.

FACILITY OF PAYMENT

If any benefit under the Policy becomes payable to your estate, a minor, or any person who (in the Company's opinion) is not competent to give a valid release; then the Company, at its option, may make payment to any one or more of the following:

- (2) a person who has incurred expense as a result of your last illness or death;
- (3) the personal representative of your estate; or

No payment made to anyone named above may exceed \$1,000. Any payment made in good faith under this Section will fully discharge the Company to the extent of the payment.

For a claim for any Extension of Death Benefit available under the Policy, the notice will be sent within 45 days after the Company receives the request for review; or within 90 days, if a special case requires more time.

CLAIMS PROCEDURES (Continued)

Delay Notice. If the Company needs more time to process an appeal, in a special case; then it will send the claimant a written delay notice, by the 30th day after receiving the request for review. The notice will explain:

- (1) the special circumstances which require the delay;
- (2) whether more information is needed to review the claim; and
- (3) when a decision can be expected.

Exception: If the Company needs more information from the claimant to process an appeal; then it must be supplied within 45 days after the Company requests it. The resulting delay will not count towards the above time limits for appeal processing.

Claims Subject to ERISA (Employee Retirement Income Security Act of 1974). Before bringing a civil legal action under the federal labor law known as ERISA, an employee benefit plan participant or beneficiary must exhaust available administrative remedies. Under the Policy, the claimant must first seek two administrative reviews of the adverse claim decision, in accord with this section. If an ERISA claimant brings legal action under Section 502(a) of ERISA after the required reviews; then the Company will waive any right to assert that he or she failed to exhaust administrative remedies.

RIGHT OF RECOVERY. If benefits have been overpaid on any claim; then full reimbursement to the Company is required within 60 days. If reimbursement is not made; then the Company has the right to:

- (1) reduce future benefits until full reimbursement is made; and
- (2) recover such overpayments from you, or from your Beneficiary or estate.

Such reimbursement is required whether the overpayment is due to fraud, the Company's error in processing a claim, or any other reason.

LEGAL ACTIONS. No legal action to recover any AD&D benefits may be brought until 60 days after the required written proof of claim has been given. No such legal action may be brought:

- (1) more than three years after the date written proof of claim is required for an AD&D claim; or
- (2) more than ten years after the date written proof of claim is required for a life insurance claim.

NOTICE CONCERNING COVERAGE
LIMITATIONS AND EXCLUSIONS UNDER THE LIFE AND
HEALTH INSURANCE GUARANTY ASSOCIATION ACT

Residents of Missouri who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state, to write these types of insurance are members of the Missouri Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the guaranty association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases to keep coverage in force. The valuable extra protection provided by these insurers through the guaranty association is not unlimited, however. And as noted below this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

The Missouri Life and Health Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in Missouri. You should not rely on coverage by the Missouri Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy. Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus. Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy. **YOU MAY CONTACT EITHER THE ASSOCIATION OR THE MISSOURI DEPARTMENT OF INSURANCE AT THE FOLLOWING ADDRESSES SHOULD YOU HAVE ANY QUESTIONS REGARDING THIS NOTICE.**

The state law that provides for this safety-net coverage is called the Missouri Life and Health Insurance Guaranty Association Act. Included is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the guaranty association.

Generally, persons will be protected by the Life and Health Insurance Guaranty Association if they live in this state, and hold a life or health insurance contract, or an annuity, or a certificate under a group policy or contract. However, not all individuals with a right to recover under life or health insurance policies or annuities are protected by the Act. A person is not protected when:

1. The person is eligible for protection under the laws of another state;
2. The person purchased the insurance from a company that was not authorized to do business in this state;
3. The policy is issued by an organization which is not a member insurer of the association; or
4. The person does not live in this state, except under limited circumstances.

Additionally, the Association may not provide coverage for the entire amount a person expects to receive from the policy. The Association does not provide coverage for any portion of the policy where the person has assumed the risk, for any policy of reinsurance (unless an assumption certificate was issued), for interest rates that exceed a specified average rate, for employers' plans that are self-funded, for parts of plans that provide dividends or credits in connection with the administration of policy, or for unallocated annuity contracts (which are generally issued to pension plan trustees).

The Act also limits the amount the Association is obligated to pay persons on various policies. The Association does not pay more than the contractual obligation of the insurance company. The Association does not have to pay more than three hundred thousand dollars (\$300,000) in death benefits for any one life regardless of the number of policies that insure that life. The Association does not have to pay amounts over one hundred thousand dollars (\$100,000) in cash surrender or withdrawal benefits on one life regardless of the number of policies insuring that individual. For health insurance benefits, the Association is not obligated to pay over one hundred thousand dollars (\$100,000) including net cash surrender and withdrawal benefits. On an annuity contract, the Association is not liable for over one hundred thousand dollars (\$100,000) in present value. Finally, the Association is never obligated to pay more than a total of three hundred thousand dollars (\$300,000) for any one insured for any combination of insurance benefits.
